

Hillis Pugh

Law of Attraction & Gratitude Speaker, Author, & Spiritual Leader

About Hillis

A visionary with an authentic soul, Hillis Pugh's journey has been one of enlightenment, resolution, and inevitability. An inspiring speaker, writer, poet and intuitive consultant, he uses his gifts to propel others on how to build self-confidence and explore their own journey of finding gratitude in everyday matters. Hillis would not have been able to inspire others in this way had he not first examined himself – through introspection, truthfulness and the willingness to change.

Hillis Pugh has taught and spoken about Gratitude and Law of Attraction Seminars at the following:

- Edgar Cayce Center NYC
- Maha Rose
- Lightning Society
- Holistic Chamber of Commerce, NYC

Signature Talk - 45 Minutes to 2 hours

Manifesting With Gratitude

Gratitude is the foundation to allow your desires to manifest. This interactive talk covers defining Law of Attraction and Gratitude and how they linked in our daily lives in the process of manifesting. The audience is guided to the understanding of the varying levels of manifesting through a spiritual equation, (Thoughts+Feelings+Words=Manifestations).

Manifest Mindset Masterclass Seminar

5-Hour Version

The attendees will discover and learn about the symbiotic relationship between the Law of Attraction and Gratitude. The synergy between the two will be explored while cultivating the vibration to manifest desires.

During the course of the day, there will be intuitive healing and chakra balancing. As an attendee, you will focus on understanding and setting of intentions and expectations, while working through the allowing and recognizing of abundance in all forms.

This will be accomplished through group exercises and questions that arise throughout the seminar. Concluding in of a 1 hour group reiki session to focus on releasing individual blocks. Each attendee can expect a fresh and insightful view on gratitude opening up to a new path of appreciation from a personal, yet, objective perspective.

2-Hour Version

A condensed version of the 5-hour, minus the full day healing portion.
